Subject: RE: A formal request of full record and court files - Mr. Tony Anthony

To Whom It May Concern:

My name is Mr. Tony Anthony (Passport name: Andonis Anthony / Date of Birth: 30 July 1971).

Further to my conversation today with John at Reading Crown Court, I am writing to formally request for a full copy of all of my records and court files (dating back to 2000 & 2001) with all/any witness statements, evidence submitted and a transcripts of the court hearings.

The reason for this request is that I have written a book about my life that refers to this court case, and there is a small group of people that have challenged the truth of my story and conducted a smear campaign against me. I now need to obtain my actual files, to put the record straight. I would be very grateful if you could get back to me about this request as soon as possible. Thank you.

I look forward to hearing from you in due course.

With kind regards,

Mr. T. Anthony
