CYPRUS

10/3/91

Dear Tony,

You don't know me, but I heard you were in the local prison and I thought I would write you a line and see if you would like me to visit. 😊 I know Andy (we met through a mutual friend) and was up on Friday to see him.

I live in Limassol with my wife (no children). She teaches in an English private secondary school (Logos). A maths teacher. We are just on the island as visitors - I don't work - and have been here for nearly 3 years. I have time on my hands and would therefore love to strike up friendships especially with those who are missing their relatives and friends.

If you would like to have visits and/or help with Bible Study (something that I have a great interest in and enjoy very much) just send notification to the above address.

I hope to hear from you soon,

God bless you, 😊

Michael Wright (not father, reverend or any other title!!!) 😊
