

# World Hope Ministries

Rev. Willy Dengler ~ President for Africa  
Office Mayfair Baptist Church

27 September 2013

To whom it may concern:

This letter seeks to confirm that World Hope Ministries South Africa has been in association with Tony Anthony and Avanti Ministries over the past 6 years.

Tony, in person, is a pleasant, kind and understanding man. He displays an integrity that commands respect from all who know him. He is ruthlessly honest and self disciplined in his personal life and in his approach to his calling. Tony is zealous and passionate about the Gospel of Jesus Christ. He is a genuine witness to the truth that changed his life. His testimony is the hallmark of his presentation.

It is with openness and sincerity that the truth rings true out of firm conviction of self sacrifice and a commitment only to make Jesus known to the world. Avanti Ministries comes to minister in a country with no hidden agenda, for no financial gain and no ulterior motives.

Dichotomy between two lives lived; one is without God and the other knowing God. It is clear that the impact of this change is helping to change others and the proof of this is seen in the responses at the Gospel Rally in the prisons of South Africa where 800 responses to Christ are on one occasion. We also noticed Tony and his team on the street, fearlessly and compassionately confronting the evils of our society with the righteousness of God.

Tony has a caring attitude and displays a quality of sound work practice and disassociates himself from all forms of corruption and unethical practices. His life is at risk by being involved in what he does. This commitment then is a true reflection of the dedicated manner in which a truthful and honest man who relies on the grace of God, without fear, ministers to hundreds of thousands with grace and compassion. He has our highest recommendation and is consistently in our prayers.

His role is not limited by his reflection in the mirror of criticism and "he is no fool who gives what he can't keep to gain what he can't lose." In the words of the great Gamaliel, "if he is of God, what he says and who he is will last."

Yours for the needs of others,

Rev. W.B. Dengler and Team

World Hope Ministries South Africa

GOD is in Control
