Dear Tony

### Outreach Event: 27 June 2013

On behalf of the Kirk Session and congregation of Woodvale, I wanted to thank you so much for coming to present the Gospel in our outreach event last night.

We were greatly encouraged by the number of folk who came along and the range of backgrounds represented. As I said last night at the close of the meeting, your story captivated the congregation and what the Lord has done in your life is the clearest possible living testimony of what it means for the Son to set you free. The presentation at the conclusion of your testimony was a tremendously clear presentation of our need of the Gospel and, taken with Colin's ministry in music, the evening presented a real challenge to believers and those yet to trust the Saviour. Above all, the Lord Jesus Christ was lifted up and glorified and we rejoice in the sense of His presence and leading throughout.

We are very grateful that you were willing to fit us into a very busy schedule and particularly so given that you had just returned from South Africa. Please be assured of our prayers for you, your family and Avanti Ministries that the Lord might continue to use this wonderful story of His amazing grace. That's our prayer for the people of Woodvale who were with us last night and for people everywhere that the Lord opens up opportunities for you to minister.

Please accept this gift from our congregation as a token of thanks for your support and willingness to lead our outreach.

Yours In Christ  
Ian
