

Dear Tony,

10/3/91

You don't know me, but I heard you were in the local prison and I thought I would write you a line and see if you would like me to visit. ☺ I know Andy (we met through a mutual friend) and was up on Friday to see him.

I live in Limassol with my wife (no children). She teaches in an English private secondary school (Logos). A maths teacher. We are just on the island as visitors - I don't work, and have been here for nearly 3 years. I have time on my hands and would therefore love to strike up friendships especially with those who are missing their relatives and friends.

If you would like to have visits and/or help with Bible Study (something that I have a great interest in and enjoy very much) just send notification to the above address.

Hope to hear from you soon,

God bless you, ☺

Michael Wright (not father, reverend or any other title!!!) ☺

2/2/92

Dear Tony,

This is just a short note to say hello, and how sorry I was not to get to talk to you much when I was up on Thursday. It was a bit hectic wasn't it!

I will have to sort it out with the authorities that we can get a bit more time individually or in smaller groups. However, I will see you all on Thursday again ~~at~~ at the seminar. I know you are praying for me. I want you to know that you are a great encouragement to me as I see the Lord working in your life, and using you in His service. He is the best master.

I even forgot to tell you that "Barney" told me to give you his regards when I saw him as I was coming in on Thursday (I don't even know who he is!).

I will need your advice and help as to how I can best help you and the other boys with my visits. I feel that at times, both you and others are glad of time alone to share things that cannot always be shared with others, and at other times are glad of joint visits.

Tony, I am praying for you that the Lord will give you ever increasing wisdom from His word that you might be a faithful keeper here in the prison.

With lots of love in the Lord,

your brother,

Michael

Dear Tony,

I want to thank you very much for the letter you sent ~~me~~ recently and to let you know that we appreciated it greatly. It means a lot to us to receive letters of encouragement and to be assured of your continued growth in the Lord. He is special - isn't He!

I think you know that I consider you, not only a brother in Christ, but also a dear friend and that that friendship will last, wherever we find ourselves and whatever happens. I understand that you find it difficult to trust people after all that has gone before, and I want you to know that, as a friend and brother, I will stick by you through ~~whatever~~ situation.

On Sunday night, an American friend from the assembly here who is going back to the States with his family for about 9 months, said: "We'll meet again here, there, or in the air (1Thess 4:17)." I thought that was good.

Today, I have been preparing for the Bible Study tonight with the assembly. They have asked me to speak and I feel the Lord has put a message on my heart "Look with God's eyes (John 4:35) a Love with God's heart (John 3:16) - and Go with God's power (Matt 28:18-20)." I feel burdened about the many millions on earth who have never been warned of their eternal destination and feel that if I and others could be a bit more Godly in our "eyesight" and love, we could reach more people with the gospel of Christ.

We are so thankful for ~~your~~ prayer for us, and we know it has a great bearing on our service for the Lord. Thanks also for the love you show in praying for Samuel as well. We find it hard sometimes to know what to pray and find ourselves just throwing ourselves at God's mercy and being thankful for the many believers in many countries who are praying for him.

I feel for you very much in your lack of fellowship in the prison and pray that God will give you encouragements as you continue to live and witness for the Lord. Keep up the good work, on your knees, and on your feet.

With love in the Lord,

Michael (and Elizabeth)

9/6/91

Dear Tony,

This is just a quick note from N. Ireland! Sorry again that I didn't see you in Linnislet but I was praying for you and I hope all went well. I hope also, that you got the books my wife Elizabeth took down to the police station. I will be returning on the 15th - Saturday and will be up to see you in Nicosia on the 20th - Thursday.

It has been a tough time for my family, as they try and cope with the trauma of my brother having got cancer. He is 44 and has 3 children aged 16, 14, and 11. It is tough for his wife Isabel too. Please pray for them that the Lord will heal Samuel and that He will give strength to Isabel, the children, and my mother especially. They are all believers and that is wonderful because they know that everything is in God's hands.

How is it going in your New Life. I am praying for you that the Lord will give you the strength to stand up for Him and that He will also help you to sort out those things in your life that don't bring Him glory. Isn't it amazing that when He takes over our lives, we have His desire to please Him rather than ourselves. I was reading this morning in John chapter 13. How Jesus got on His knees, took the servant's/slave's position and washed His disciples' feet - even Judas' and Peter's feet, while knowing that they were going to betray and deny Him - isn't He wonderful!

All for now, I'm praying for you - keep praying for me.
Yours in Christ,
Michael.

This is our promise!

Oct. 30, 1992

Dearest Tony,

My warmest greetings to you in the name of our wonderful Saviour Christ Jesus, "In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace," Eph. 1:7.

Thank you very much for your kind greetings. It brought a real joy to our hearts. I hope you've received my letter along with Ian's card which I mailed about 2 weeks ago.

I am glad to know that the sweaters (woolies) are right size for you. If there's anything you need or anything we can do for you please don't hesitate to let us know. We will be most happy to do so. After all, we are one family in our loving Father through his begotten Son's precious blood. We want you to know that the doors are open wide for you and you are dearly welcome anytime.

If you will be released on the 11th of Nov. its about 2 weeks from now. I wish we could be in England, that way, we could open our home to you, but that's quite impossible. We trust the Lord Jesus for the Christian family who will welcome you into their home is arranged by the loving Lord himself. Believe me I do understand how you feel about it. but please don't be shy. Our good Shepherd will lead you all the way. I also know that you will be a blessing to the ^{kind} family over there. And surely you will have our prayer support always! The Lord said to us, "... being knit together in love," Colossians 2:2. (KJV) Please see also I John 4:7-21.

Tony, please don't be apologetic about your prayer on the day of our visit. It was wonderful prayer and we were blessed to be there and for your fellowship which was centered with our wonderful Lord was just great. I think you are Perfectionist! Am I right? I am sure your art work is splendid indeed. The beautiful clock in our living room convinced me to believe that. May the Lord be glorified with your life.

Regarding your letter, you said, Ian and I could have done something more enjoyable and more creative during Ian's school holiday rather than coming to the prison to visit you. Well, you are absolutely wrong about that. As a matter of fact, we regretted not having come sooner to visit you. Our hearts were filled with joy and gladness and sometime, our hearts just went out to you. Remember Brother Tony, when the loving Lord found one lost sheep, "he layeth it on his shoulders, rejoicing." And how He loved us dearly and keeps us now. So let's keep on praising Him in everything!

Tony, I appreciate very much for your prayers and specially you are praying for Roger's salvation. Roger is dead under his religion (Roman Catholic), just refuse to hear the wonderful mercy and sweet grace of the Lord Jesus. Just like many people, seeking for the freedom of immorality and walking according to the course of this world. Most people want to be free from everything! Can they be really free from the sight of God?

(3)

Honestly, many times, I was discouraged, wearied, and weakened. Oh, praise the Lord! He is the strength of my salvation! Through Him, I can keep my eyes upon the work of the Calvary's cross, and I do believe that the Lord will save Roger for His glory if it is His will.

I have a special prayer request for you, Tony, to pray for dear Ian.

Often times, Roger is distracting Ian from spiritual growth.

Roger thinks Ian is not having a normal life like the other kids.

Roger can not understand the spiritual life. Just like what God's Word tells us about the natural (unsaved) man in I Cor.

1:18 and 2:14. Rebelliously rejecting the Word of God and Roger hates it. He mocks Ian if he can't be satisfied by mocking me only.

But we praise the Lord we are able to come to the chapel and grow in the Lord. We want to be a good testimony to Roger for our wonderful Lord and bear the fruit of Spirit. I see myself a such failure but the Lord is good and merciful.

I can lay down all to him at the foot of His cross. He cleanses all my sins and unrighteousness with His precious blood ever faithfully.

I know you are praying for us without ceasing.

Thank you very much for your thoughtfulness and kindness.

We do not know until when we will be here.

We are hoping to be posted in Singapore, or Hong Kong or Bangkok. Hopefully, we will be advised of our next assignment.

But this is for certain, wherever we may go, we will let you know.

We love to hear from you, Tony.

Dear Tony,

It was thrilling to see you October 16th. All four of us counted it a privilege to spend that hour with you. We will never forget it. We pray for you at the chapel every Sunday morning and many times throughout the week. The Lord is going to take charge of "your day" November 11th. Every detail is in His hands both here and in London.

We are sending a photo of John and Carolyn Nunn who live about 40 minutes from the London airport (Heathrow). They wrote us a very warm and enthusiastic letter regarding your arrival there and the fact that they want to meet you. They have a sincere desire to meet you and have you stay with them. You can be sure they are genuine in their invitation and they have a fine church where they attend just around the corner from their house. They said it is not large but the people are friendly and love the Lord. You should be receiving a letter from them directly at your prison address in a week or so.

Carolyn is from a family of eight children and her parents are dear friends of ours. We knew the family during the days we both lived in Beirut (1968-1974). Our children loved to play with their children

Carolyn and John Nunn's address is
5 B Penrith Road, New Malden, Surrey
KT3-3QR, England, Telephone 081-942-9492

Carolyn's parents are Mr. and Mrs. Cor
Bruins, 380 Norwich Road, Ipswich
England IP1.4ET, Tel. 0473-41424.
You might have the opportunity to meet
them. They are really great spiritual
people.

Jan was thrilled to receive your letter
tonight (Wed) at our mid-week service. He
prays for you most faithfully. In fact,
you have a good number of friends in
our circle who pray for you and send their
greetings. I wish you could meet them.

Follow the Lord with your whole heart,
Tony, and never turn back. Psalm 119
is such a great chapter. Verses 57-60 are
for you today: "Thou art my portion, O
Lord: I have said that I would keep thy
words. I intreated thy favor with my
whole heart: be merciful unto me according
to thy word. I thought on my ways, and
turned my feet unto thy testimonies, I
made haste, and delayed not to keep thy
commandments."

Be assured of our continued prayers
and our love.

Dear Brother Tony

How we are touched by your unselfish and tenderheart to care for Ian and sending him a priceless love gift.

Thank you so very much!!

Ian was so happy and delighted. When we got home from the prayer meeting, he was so proud to show the beautiful clock to his Dad. He was telling his Dad, "Tony made this beautiful clock all by himself for me. He is a great Artist!"

I must tell you that my husband, Roger was touched deeply and appreciate your kindness. I have told him your testimony and you helped seven other people to know the Lord and they got saved. I was praying that he might open his heart from listening your testimony. He hadn't said much about his thought but the Lord will work it out. Roger has been refusing to hear the Word of God, the way of Salvation. His heart is full of rebellion. But I am not discouraged. By faith I know that the Lord will answer the prayers. So let us keep looking unto Jesus the author and finisher of our faith. (Hebrews 12:2)

Brother Tony, it is a truly "amazing grace" of our sweet Lord for saving us from our sins. How can we ever thank the Lord enough for the great salvation so rich and so free.

Psalm 119: 9-11, 105
Ps. 121: 5-8

I've heard many encouraging stories about you. Pastor Knox told us your testimony with such an expression that as if he found a new son. Yes, you are such an encouragement and blessing to many of us. Our prayers are with you.

I would like to thank you again for the beautiful present.

God bless you richly and keep you and use you always.

Yours in Christ

Jade

P.S. We are sending our letters and a small box of chocolates through Pastor Knox.

Thank you also for the address. We will write you again soon & post to you.

I am ashamed to tell you that my English is very poor. It seems I'm slow learner and not very good at keeping it.

I hope you can understand.
